

**AMENDMENTS TO THE CLAIMS**

**This listing of claims will replace all prior versions and listings of claims in the application:**

**LISTING OF CLAIMS:**

1. (original): A polymer mixture of a thermoplastically processable fluoropolymer and a sulfur polymer, wherein the sulfur polymer component in the polymer mixture is 0.1 to 20% by weight.
2. (currently amended): A polymer mixture as claimed in claim 1, characterized in that the sulfur polymer component is between 10 and 20%, ~~preferably between 15 and 20%.~~
3. (original): A polymer mixture as claimed in claim 1, characterized in that the fluoropolymer is a tetrafluoroethylene-perfluoropropylene copolymer (FEP).
4. (original): A polymer mixture as claimed in claim 1, characterized in that the fluoropolymer is an ethylene-tetrafluoroethylene copolymer (ETFE).
5. (original): A polymer mixture as claimed in claim 1, characterized in that the sulfur polymer is polyphenylene sulfide (PPS).

6. (original): A polymer mixture as claimed in claim 1, characterized in that the sulfur polymer is polysulfone (PSU).

7. (original): A polymer mixture as claimed in claim 1, characterized in that the sulfur polymer is polyether sulfone (PES).

8. (original): A polymer mixture as claimed in claim 1, characterized in that the polymer mixture contains one or more of the sulfur polymers.

9. (original): An insulating layer on an electric line, comprising a polymer mixture as claimed in claim 1.

10. (original): A sheathing mixture for electrical cables or lines, comprising a polymer mixture as claimed in claim 1.
